

August 2023

Dear Parents,

Keeping our parents informed is a top priority at St. Pius X School. That's why we have adopted the AP Notify System which will allow us to send a telephone or e-mail message to you providing important information about school events or emergencies. We will be using **AP Notify** to notify you via telephone of school delays or cancellations due to inclement weather, and will use **AP Notify** to notify you via email about after school activities, various events, and more. In the event of emergency at school, you can have peace of mind knowing that you will be informed immediately by phone.

What you need to know about receiving calls sent through **AP Notify**

- Caller ID will display the school's main number when a general announcement is delivered.
- AP Notify will leave a message on any answering machine or voicemail.

The successful delivery of information is dependent upon accurate contact information for each student, so please make certain that we have your most current phone numbers. If this information changes during the year, please let us know immediately.

Note that all of the phone numbers listed will be called simultaneously in the event of a school emergency or for school cancellations. Thank you for your cooperation and if you have any questions, please don't hesitate to contact the school office.

Please return the form below to the school office as soon as possible.
