

March 1, 2024

Dear Parents,

**I would like to “Thank”** all of the parents who donated delicious treats for our Valentine Party. It was a very happy day, full of love and excitement! Thank you also for all of the delicious sweet treats and goodies that you gave me. My family and I enjoyed them very much.

**Our March themes are** Space, Community Workers, Weather and Birds and Easter/ New Life. March 2nd is Dr. Seuss’ Birthday. We will celebrate his birthday Friday, by reading The Foot Book. We will do math, science and art activities that center around feet. Third grade friends will read Dr. Seuss stories to us. During Rest Time we will watch a Dr. Seuss video. It is a great way to celebrate Dr. Seuss’ birthday!

**March is also Community Workers’ month.** If you would like to come to the PreK classroom to talk about your profession, please send me an email. I know that your child would be very excited and proud to have you visit and all of the children would enjoy hearing about what you do.
