

March 1, 2026

Dear Parents,

I hope you all survived the blizzard without too much of an inconvenience. It was quite a storm. Thank you to all of the first responders, utility workers and snow plow workers who worked tirelessly to keep us safe and get Cape Cod up and running again. It is good to be back in school and to see all of the children's happy smiling faces again.

Our March themes are Jungle Animals, Space, Community Workers, Weather and Birds and Easter/ New Life. March 2nd is Dr. Seuss' Birthday. We celebrated his birthday Monday, the 2nd by reading The Foot Book. We took our shoes off and did a fun activity moving our feet according to the story. Our feet did a lot of moving and we did a lot of laughing acting this story out! We colored Cat in the Hat hats and read more Dr. Seuss stories. Mrs. Rose read Dr. Seuss stories during Library and we watched a Dr. Seuss video during Rest Time. It was a great way to come back to school after 2 weeks off!

March is Community Workers' month. If you would like to come to the PreK4 classroom to talk about your profession, please send me an email. I know that your child would be very excited and proud to have you visit and all of the children would enjoy hearing about what you do.

St. Pius X School will once again have a float in the St. Patrick's Day parade which is Saturday, March 7th. Please see the flyer that went home in the communication folder. Dress in your St. Patrick's Day attire and show support for our school! It is a fun family event that is enjoyed by all.

Thank you for the donations of Lysol Wipes, paper towels and kleenex. It is greatly appreciated.

We are in need of napkins. If you could donate a package that would be very helpful. Thank you.

Please continue to send a hat and mittens or gloves to school in your child's backpack for when we are able to go outside for recess.

Thank you.
Think Spring!!

God Bless you and your families.
Stay safe and healthy.
