# October Challenges

Write your name 3 times with a pencil, then trace with a marker.	Practice writing the numbers 1 to 10.	Count by 1's as high as you can.	Draw a picture of God's Creations.
Point out 3 things that start with the letters A, B, C, & D.	Draw a pumpkin and label it.	Go for a walk and discuss the changes you see for fall.	Teach your family our letter movements. Ex. Octopus-arms waving.
Sing the Days of the Week song.	Help sort the laundry.	Sort some of your toys. What attribute did you sort by?	Write the alphabet in rainbow colors.
Practice writing our high frequency words of the month. Use one of them in a sentence.	Eat an apple and discuss its life cycle.	Search for 3D shapes in your house.	Write the sentence starter: I can ___. Complete the sentence and illustrate!

Here are some fun activity ideas you can do with your child to practice concepts we are learning at school! Do them whenever you can, and return this paper to school when it's finished.

**Have fun!**
