

Welcome to our Preschool Class

Dear Parents and Little Learners,

Welcome to what is sure to be a year of discovery, fun and growth. I am so excited to have you join our preschool family. This year will be filled with laughter, creativity and new friendships as we explore the world together.

In our classroom, your child will have the opportunity to learn through play, make new friends, and develop important skills that will help them grow into curious and confident learners. Our days will be filled with stories, songs, art projects and other exciting activities designed just for your little ones hands and bright minds.

A few helpful things to pack before your little learner starts:

- A full change of clothes is a great idea (shirt, pants, underwear, socks and shoes- please label everything with your child's name)
- A pack of baby wipes (for cleaning faces after lunch)

Our classroom can always use extra cleaning supplies (Clorox wipes, paper towels), tissues, Ziplock baggies of all sizes, and hand soap. All donations are very appreciated.

I am so looking forward to spending the school year getting to know your children and learning alongside them! Please feel free to reach out with any questions leading up to the start of what will be a fantastic year!

Ms. Biz
