

WHAT MAKES ST PIUS X MIDDLE SCHOOL SPECIAL?

- ◆ **Small class size**, leading to more teacher attention and quality learning
- ◆ **No student will fall through the cracks.** Our class size allows attention to each student, creating accountability and confidence
- ◆ **Study Skills** Course
- ◆ **Social/Emotional Learning** Course
- ◆ Our **diverse community**: We have families from Brazil, Russia, Ukraine, Ireland, Congo, Greece!
- ◆ Over the past few years our students have been **awarded the academic scholarship** from St John Paul High school due to high test scores
- ◆ Our students are put in **honors classes** at St. John Paul and are very prepared
- ◆ Our students are **accepted to many different high schools** and are very prepared to excel
- ◆ Our girls soccer team was the **2021 champion!**
- ◆ And our boys soccer team were **second place** for 2021!
- ◆ Our athletes **enjoy more playing time** on all teams
- ◆ Studies have consistently shown the **K-8 schools are better for Middle school students.** Students who attend K-8 school have higher self esteem, higher academic achievement, more positive attitudes toward school, and better outcomes in 9th grade. Students feel safer.
- ◆ Our middle school students **become "buddies"** with lower school students allowing them to become role models and learn responsibility.
- ◆ Middle school house system **creates a community** where students work together on service and character building. Each house works with a local charity, donating goods and time.
- ◆ We have **able to stay in school** throughout all of covid!
