

## **NOTES FROM THE OFFICE**

---

**January 26, 2022**

### **OPEN HOUSE!!!**

Open House is Saturday, January 29<sup>th</sup> from 2:00-4:00.

Pre-Registration is required. If you know family or friends who are considering our school, have them sign up (the link is on our homepage) ASAP, as slots are filling up!

### **PARENT-TEACHER CONFERENCES**

Parent Teacher Conferences are Friday, Feb. 4th, and are scheduled at the request of the teacher or the parent. They are held after our early dismissal (11:30). A teacher may have contacted you regarding a conference. If YOU wish to schedule a conference, reach out to the teacher through his/her email. Conferences on Friday can be requested onsite or via Zoom.

### **CATHOLIC SCHOOLS WEEK**

A big week is ahead- Catholic Schools Week! Full of activities to celebrate our school and community, we anticipate a week that will be enjoyable, meaningful, and memorable!

## MAP TESTING

We will also begin our second round of MAP testing in the week ahead. The testing cycle runs for three weeks, and each class (Gr. 2-8) has three tests to complete. Students are assessed in Math, Reading, and Language. To assist us in collecting valuable and meaningful data from these assessments, please make certain your children are well-rested, and are in school on time. Thank you for your assistance with this.

## COVID

Please remember to respond to the Google Form sent last week if you are interested in test kits for your child(ren). Staff kits were delivered yesterday- just as promised! Though we still had a few COVID cases, the positivity rate has significantly dropped, as has the number of students tested and quarantined! Truly good signs!

Please read the document regarding a student's return to athletics after COVID. This is similar to the RTP protocols established regarding students and concussions. The form will need to be completed for a student-athlete who has had COVID to return to athletics.

## FACE 2022-23 Application – Update

The 2022-23 FACE Application is now OPEN. The link is

January 26, 2022

Dear St. Pius X School Staff, Students and Parents/Guardians,

There have been positive cases of COVID-19 within our school community this past week. The community members tested positive within the reporting period from the afternoon of January 19, 2022 – noontime January 26, 2022.

- Number of school members testing positive for Covid-19 –9
- Any close contacts in school? **Yes- all notified**
- Related to previous Covid cases? **Yes- some within families**

**Remember, if you or a family member are experiencing symptoms, or test positive for Covid-19, please refrain from sending your child(ren) to school. We so appreciate the families who have followed through with COVID quarantine guidelines!**

*The parents of students and/or adult staff members who were identified close contacts have been notified. We followed up with Test and Stay and according to DESE and CDC protocols. We are working closely with state and local public health officials to ensure the health and safety of all students, families, and staff.*

St. Pius X School will continue to take all necessary precautions to keep students, families and staff safe and healthy but we need the cooperation from all families when students are not in school. We also ask for your consideration to respect the privacy of the individual(s) involved.

Thank you and God bless,

Anne Dailey  
Principal

## ST. PIUS X POST-COVID ATHLETIC CLEARANCE FORM

**If a student-athlete has tested positive for COVID-19, the student must be cleared for activity by an approved health care provider.**

Name of Student-Athlete: \_\_\_\_\_ DOB: \_\_\_\_\_

If symptomatic, date symptoms began: \_\_\_\_\_

If symptomatic, please list symptoms: \_\_\_\_\_

Date of positive test: \_\_\_\_\_

Description of student's COVID case:

- Asymptomatic (no symptoms) or mild symptoms (fever, myalgia, chills, and lethargy < 4 days)
- Moderate symptoms (fever, myalgia, chills, or lethargy lasting  $\geq$  4 days or hospitalized but not in ICU)
- Severe symptoms (hospitalized in ICU and/or MIS-C [Multi-Inflammatory Syndrome-COVID])

**Some students, particularly those with moderate to severe illness, may require a graduated return-to-play (RTP) protocol once the student has been cleared by a LHCP (cardiologist for moderate to severe COVID-19 symptoms). The American Academy of Pediatrics *COVID-19 Interim Guidance: Return to Sport* provides a recommendation for RTP (page 2) if necessary.**

As the examining Licensed Health Care Professional, I attest that the above-named student-athlete is now reporting to be free of all signs and symptoms of COVID-19, is at least 10 days from positive test, and is either cleared for resumption of activity or recommended for cardiology referral.

- Student is **cleared** for return to athletics.
- Student is **cleared** for return to athletics **after completion of a graduated return to play (RTP)** due to the severity of symptoms and/or hospitalization associated with the student's positive COVID-19 diagnosis.
- Student is **not cleared** to return to athletics at this time. Cardiology consultation is needed before clearance.

## **Graduated Return-to-Play Protocol After COVID-19 Infection**

If participants who have had moderate or severe symptoms of COVID-19, or their provider has any concerns for rapid return to play (RTP), the athlete should complete the progression below.

If a student experiences any cardiac symptoms such as chest pain, chest tightness, palpitations, dizziness, lightheadedness, shortness of breath, extreme fatigue, pre-syncope, or syncope during or following the activity, the activity should be stopped, and the student should be referred back to the evaluating provider for additional evaluation.

The following 7day Gradual Return to Activity Protocol is based on the best evidence currently available to provide a gradual increase in cardiac load during return to physical activity.

- Stage 1: (2 Days Minimum) Light Activity (Walking, Jogging, Stationary Bike) for 15 minutes or less at intensity no greater than 70% of maximum heart rate. NO resistance training.
- Stage 2: (1 Day Minimum) Add simple movement activities (EG. running drills) for 30 minutes or less at intensity no greater than 80% of maximum heart rate.
- Stage 3: (1 Day Minimum) Progress to more complex training for 45 minutes or less at intensity no greater than 80% maximum heart rate. May add light resistance training.
- Stage 4: (2 Days Minimum) Normal Training Activity for 60 minutes or less at intensity no greater than 80% maximum heart rate.
- Stage 5: (1 Day Minimum) Return to Full Training sessions without restrictions or limitations on intensity or duration.
- Stage 6: Return to full activity.

# Choose a New Mascot Contest!

## SPXS is retiring our Crusader Mascot!

We are inviting school members to help us choose a new mascot. We have some great ideas from Middle School, and thought we would also ask younger students and all families about the symbol they feel would be perfect for SPXS. Be part of SPXS history, and help us choose a new symbol to represent our school!

Have a great idea?

Please share by completing the form below, or by clicking on the link and completing the Google Form. Send your idea to school via the form or paper by Monday, January 31<sup>st</sup>. Contest is open to all grades. One entry per child.

As we celebrate Catholic Schools Week, the student community will choose a new mascot for SPXS!
