

April 10, 2019

Dear Parents and Guardians:

On behalf of the entire school staff, I thank all members of our NEASC team, Fr. Paul, families, students, the Advisory Board, and Friends for being open to, and contributing to, our re-accreditation process.

As a school is a dynamic setting that must continually change to meet the needs of students and families, SPXS must grow and improve. The NEASC Self-Study process and this re-accreditation visit will help us accomplish this. To all the staff members and others who worked the last 18 months in this undertaking, you should be proud. To those who assisted with preparations for the visit- my sincere thanks.

I thank all within the school community who give to the students of St. Pius X in a myriad of ways, and who gave their time to this specific process. Whether coordinating or contributing to the Self-Study, assisting with hospitality, putting together gift bags of goodies, creating an architectural rendering of the school, setting up dinner plans, arranging or participating in a parent gathering, or meeting and speaking with team members, every contribution to the process was valuable and is tremendously appreciated. Everyone came together in a partnership, demonstrating that it does take a whole village to raise a child.

We hope the spirit of our village, our community, was evident to our visitors, and that it continues to impact the lives of our children positively as they are formed into citizen-disciples whose mission is *To Learn, To Grow, To Lead*.

To paraphrase a quote from Henry Ford, *our coming together as a school was the beginning, our growing together has improved us and made us stronger, and our working together in the future will ensure our continued success.*

Thank you all for everything you do!

Enjoy April vacation, and a Happy and Blessed Easter to all!

Anne Dailey, Principal

Eucharistic Adoration

On April 12th from 7:30am to 2:30pm our school will be experiencing a Lenten Adoration period.

As always, we reach out to you for support, knowing that this time of Lent is a perfect time to reflect and look for that space that brings us closer to God.

The teachers will be bringing the children to the chapel for short periods of Adoration throughout the day, therefore everyone who comes for Adoration must be CORI cleared.

National Youth Sports Safety Month

About 1.24 million kids receive emergency room care for sports-related injuries each year in the U.S. - that's 3,400 kids each day - and about 90% of student athletes say they've been injured while playing a sport.

And every 3 minutes, a child is seen for a sport-related concussion.

April is [National Youth Sports Safety Month](#) so it's a perfect time to learn a few simple tips to keep young athletes safe so they can keep playing the games they love.

HERE ARE 5 TIPS FOR COACHES, PARENTS AND KIDS from [safekids.org](#)

- Before playing organized sports, make sure young athletes receive a [pre-participation physical exam](#), or PPE, by a doctor. This can help rule out any potential medical conditions that may place kids at risk.
- Bring a water bottle to practice and games. Encourage children to [stay well hydrated](#) by drinking plenty of water before, during and after play.
- Stretching gently before practice and games can make a big difference by releasing muscle tension and helping prevent sports-related injuries, such as muscle tears or sprains. Make sure there is time set aside before every practice and game for athletes to warm up properly.
- Off-season is important, too. It is recommended that kids get 10 consecutive weeks of rest from any one sport every year. Playing different sports throughout the year is OK.
- Coaches should be certified in first aid and CPR, learn the signs and symptoms of a concussion and help avoid overuse injury by resting players during practices and games.

OTHER TIPS TO KEEP YOUR KIDS INJURY FREE

Know the signs of heat-related illnesses. [Heat exhaustion and heatstroke](#) are serious medical issues if not promptly treated. Signs and symptoms include headaches, dizziness, nausea, vomiting, muscle cramps, lack of sweating, confusion and shortness of breath. Heatstroke also causes the body's temperature to rise dramatically.

Be sure your child wears the [appropriate sports safety gear](#), and make sure it fits them properly. When gear doesn't fit right, it can't provide the protection your child needs to help prevent injury.

Include "days off" in your child's routine. [Periods of rest allow the body to heal](#), which can be very important in preventing overuse injuries and muscle strains that can lead to other, more serious injuries. It's also important for kids to take breaks during competitive play and practice.

Encourage kids to [try out different sports](#) to avoid over-straining specific muscle groups or joints. Playing different types of sports can also improve coordination, which in turn can help prevent injuries.

Never encourage your child to play if they have an injury - even if it's a "big game." [No game is more important than your child's healthy future.](#)

HAVE FUN AND BE SAFE!

St. Pius X School Code of Conduct Agreement Athletic Program

Philosophy

St. Pius X School is dedicated and committed to its students and their families. Education at St. Pius X School is based on the Gospel message of Jesus Christ, and provides academic challenges within an active Catholic setting. The school is structured so as to foster the spiritual, physical, intellectual, psychological, and social development of the child. This aim is supported by the staff and coaches through instruction and by their example.

Athletic Program

The goal of the St. Pius X School Athletic Program is to provide sports for the entire student body that will cultivate self-esteem, self-discipline, and enhance the students' levels of physical well-being.

The primary objective is to expose the students to a variety of sports throughout the academic year. Students choose from these various sports, learning the fundamentals of the sport, and enjoying the camaraderie of their peers.

Students who participate in any of the interscholastic school sports must accept the responsibility of representing the school as a Christian athlete. Parents must also accept the responsibility to be a positive example to the athletes when either attending a scheduled event or at practice; all are expected to behave in a Christ-like manner.

Code of Conduct Agreement for Athletes and Parents/Guardians

Athletes and Parents/Guardians agree that:

- 1) Academics take priority over athletics.
- 2) Athletes are to treat their coaches, teammates, opposing players and officials with respect and consideration.
- 3) Respect is to be shown for all people and property at SPXS , during and after school hours, and at all visiting schools and venues, where away games will take place.
- 4) Athletes must be in good academic standing in order to participate on an interscholastic sports team. Beginning in 2018-2019, if a student's average in a subject or subjects falls below 70 at any point during the term, the student will be put on warning.
 - If a student's average in a class during the term falls below 70, the teacher will contact the Athletic Director, and the parent, and the student is on warning.
 - The AD will contact the coach regarding student participation in the activity.
 - Assuming all student work is complete, the student may participate in one practice, or one game a week, until the grade(s) go up to the minimum of 70. Once the grade(s) reach the minimum required, full participation in the sport may resume.
 - If work is not complete- the student must first complete the work, then may be eligible to participate once a week. Once the average(s) reach 70 or over, full participation resumes.
 - It is assumed that any athlete on warning will participate in Study Hall, seek out extra help, and/or participate in peer tutoring, if available, during this time.
 - It is the combined responsibility of the student, parent, coach and AD to ensure that the policy related to participation is followed.

If, at report card time, the student's average(s) are still below 70, the student is ineligible to participate in the extracurricular activity until interim time. All grades must be 70 or above at that time.

- 5) As with all extracurricular activities, a student may not participate in an athletic practice or game, if the student was absent from school that day.
- 6) As a member of a team, athletes must accept the responsibility to attend all practices/games and notify the coach in advance when a valid reason for an absence occurs.

Athletes agree that:

- 1) A positive, team-first attitude is necessary at all levels of play and on all athletic fields.
- 2) Friendly competition is important – teammates and opponents alike deserve respect and support.
- 3) Athletes are to display good sportsmanship, win or lose.

Parents/Guardians agree that:

- 1) Payment of all fees and completion of all registration and health forms by the established deadline is necessary for a child to be a part of a team.

- 2) Transportation to and from all practices and games as well as arrival and departure at established times is the parent's or guardian's responsibility.
- 3) All uniforms borrowed from the school require proper care and are to be returned by the athlete at the end of the season. Uniforms must be returned within five days of the final game. Athletes with outstanding uniforms will not be issued a uniform for another sport until the missing uniform is returned or the \$40 missing uniform fee is paid.
- 4) Decisions regarding playing time are at the discretion of the coach.
- 5) The teachers and/or Athletic Director have permission to discuss a student's academic performance with member(s) of the coaching staff.

May Parish Brunch

Join us at the May Parish Brunch on Sunday, May 5th! Families with children in **Pre-K, K and Grade 7** are hosting this month, however help from other grades is always encouraged.

Thanks to the generosity of the St. Pius X Church Parish, the proceeds from EVERY month's brunch go directly to SPXS. We, as a school community, are responsible for hosting these brunches. Every SPXS family is expected to help out at least once each school year. There are volunteer time slots available on Saturday afternoon and throughout the morning on Sunday.

Working a brunch is a fun experience for the whole family! It's also a wonderful way to teach our students to give back and a way for us all to show our gratitude for the ever-present support of the St. Pius X Church Parish. We hope to see you there!
