Dear Parents and Guardians:

Our Grade 5 class is off to the seashore next Monday! SPXS is the only Catholic school on the Cape to participate in this multifaceted educational experience and we are grateful for the opportunity. Students are excited at the prospect and anticipating the independence the experience allows. Faculty members will join them each afternoon/evening and spend the night onsite at the NEED Academy. Parents were extremely successful with their fundraising efforts this year. Congratulations on the success realized by your efforts. We have our fingers crossed for good weather for all next week.

The draft of our NEASC team's report was shared with me during vacation, and the final version has been forwarded by the chair to NEASC for their vote. The vote should occur in June. There are many areas in which the team verbally commended the school. The team members concurred with most findings in our Self-Study and commended the school in many areas.

One area that impressed the team was our proactive approach to safety, including our new security features as well as observed procedural protocols. Some of the team members discussed adopting features or procedures they observed here within their own buildings. Despite these observations, we know that safety continues to be paramount. It must consistently be examined, with adaptations and improvements made when necessary. The school's Crisis Plan had been updated this past year and will continue to be regularly reviewed. Our protocols, including all areas of teacher responsibilities in terms of supervision, will also be continually re-evaluated, to ensure optimal conditions for all.

One last CORI shout-out... Spring has arrived- it's certainly evident today! With spring, comes field trips, school activities, lots of fun events. If parents or guardians wish to assist with any activity- they must be CORI cleared!

The training is done online through CMG Connect-

<https://fallriver.cmgconnect.org>

There are two training sessions.

The following documents must be submitted together, at the school office:

1. Safe Environment Training Certificate
2. Mandated Reporter Training Certificate
3. CORI Acknowledgement Form
4. Clear, color copy of your license

Crusader Spotlight
Mrs. Gerri McCarthy

Taytum Trani had to find just the right time of day to steal a few minutes with SPXS' new (very busy) cafeteria manager, Gerri McCarthy. She is constantly in motion, creating wonderful, tasty, healthy meal choices for our staff and students. In just 7 months, we have all grown quite fond of Ms. Gerri and her delicious food!

When asked what her favorite part of her new job is, Ms. Gerri didn't hesitate to answer "the kids are delightful and the teachers are awesome!" Since she is so busy all morning preparing various meal choices such as yogurt parfaits with fresh fruit, chickpea and pasta salad and even hot cocoa with marshmallows, Ms. Gerri truly enjoys the lunchtime rush when she gets to interact with all of the students and "see their smiles."

In her free time, Ms. Gerri would prefer to have someone do the cooking for her and go out for a nice dinner. She is also an avid gardener. It's her favorite thing to do in the summertime. She loves to walk on the beach, being grateful to call Cape Cod home! Sometimes she even takes her dog, Aoife, with her when it's off-season!

St. Pius X School is certainly feeling lucky to have Ms. Gerri here. More than ever, students and staff are purchasing school lunch due to her creative techniques to incorporate more healthful choices and delicious treats. If you haven't tried her pizza yet, don't miss it!

**St. Pius X School
Code of Conduct Agreement
Athletic Program**

Philosophy

St. Pius X School is dedicated and committed to its students and their families. Education at St. Pius X School is based on the Gospel message of Jesus Christ, and provides academic challenges within an active Catholic setting. The school is structured so as to foster the spiritual, physical, intellectual, psychological, and social development of the child. This aim is supported by the staff and coaches through instruction and by their example.

Athletic Program

The goal of the St. Pius X School Athletic Program is to provide sports for the entire student body that will cultivate self-esteem, self-discipline, and enhance the students' levels of physical well-being.

The primary objective is to expose the students to a variety of sports throughout the academic year. Students choose from these various sports, learning the fundamentals of the sport, and enjoying the camaraderie of their peers.

Students who participate in any of the interscholastic school sports must accept the responsibility of representing the school as a Christian athlete. Parents must also accept the responsibility to be a positive example to the athletes when either attending a scheduled event or at practice; all are expected to behave in a Christ-like manner.

Code of Conduct Agreement for Athletes and Parents/Guardians

Athletes and Parents/Guardians agree that:

- 1) **Academics take priority over athletics.**
- 2) Athletes are to treat their coaches, teammates, opposing players and officials with respect and consideration.
- 3) Respect is to be shown for all people and property at SPXS , during and after school hours, and at all visiting schools and venues, where away games will take place.
- 4) Athletes must be in good academic standing in order to participate on an interscholastic sports team. **Beginning in 2018-2019, if a student's average in a subject or subjects falls below 70 at any point during the term, the student will be put on warning.**
 - If a student's average in a class during the term falls below 70, the teacher will contact the Athletic Director, and the parent, and the student is on warning.
 - The AD will contact the coach regarding student participation in the activity.
 - Assuming all student work is complete, the student may participate in one practice, or one game a week, until the grade(s) go up to the minimum of 70. Once the grade(s) reach the minimum required, full participation in the sport may resume.
 - If work is not complete- the student must first complete the work, then may be eligible to participate once a week. Once the average(s) reach 70 or over, full participation resumes.
 - It is assumed that any athlete on warning will participate in Study Hall, seek out extra help, and/or participate in peer tutoring, if available, during this time.
 - It is the combined responsibility of the student, parent, coach and AD to ensure that the policy related to participation is followed.

If, at report card time, the student's average(s) are still below 70, the student is ineligible to participate in the extracurricular activity until interim time. All grades must be 70 or above at that time.

5) As with all extracurricular activities, a student may not participate in an athletic practice or game, if the student was absent from school that day.

6) **As a member of a team, athletes must accept the responsibility to attend all practices/games and notify the coach in advance when a valid reason for an absence occurs.**

Athletes agree that:

- 1) A positive, team-first attitude is necessary at all levels of play and on all athletic fields.
- 2) Friendly competition is important – teammates and opponents alike deserve respect and support.
- 3) Athletes are to display good sportsmanship, win or lose.

Parents/Guardians agree that:

- 1) Payment of all fees and completion of all registration and health forms by the established deadline is necessary for a child to be a part of a team.

- 2) Transportation to and from all practices and games as well as arrival and departure at established times is the parent's or guardian's responsibility.
- 3) All uniforms borrowed from the school require proper care and are to be returned by the athlete at the end of the season. Uniforms must be returned within five days of the final game. Athletes with outstanding uniforms will not be issued a uniform for another sport until the missing uniform is returned or the \$40 missing uniform fee is paid.
- 4) Decisions regarding playing time are at the discretion of the coach.
- 5) The teachers and/or Athletic Director have permission to discuss a student's academic performance with member(s) of the coaching staff.

May Parish Brunch

Join us at the May Parish Brunch on Sunday, May 5th! Families with children in **Pre-K, K and Grade 7** are hosting this month, however help from other grades is always encouraged.

Thanks to the generosity of the St. Pius X Church Parish, the proceeds from EVERY month's brunch go directly to SPXS. We, as a school community, are responsible for hosting these brunches. Every SPXS family is expected to help out at least once each school year. There are volunteer time slots available on Saturday afternoon and throughout the morning on Sunday.

Working a brunch is a fun experience for the whole family! It's also a wonderful way to teach our students to give back and a way for us all to show our gratitude for the ever-present support of the St. Pius X Church Parish. We hope to see you there! St. Pius X Parish is very excited to be a part of The French Children's Choir of Paris' North American Concert Tour this summer. They traditionally have concerts in NYC, Boston and Montreal among other cities. They love Cape Cod and love our parish. It is truly an honor to have them come. They will be with here this summer, arriving on Saturday, July 20 and staying until Wednesday morning, July 24.

The parish has hosted their Cape Cod concert tours twice before. Families from SPXS have served as hosts, and it has been a rewarding experience for all involved. The choir members are busy during their stay but need a place to sleep and have breakfast. They will perform and lead music for liturgies at St. Pius X, Our Lady of Victory, and Christ the King parishes. The singers have their own tour buses, take day trips, and enjoy their days on Cape Cod. They need chaperones to provide transportation to the Life Center in the morning and back home in the evening, a room for sleeping, and breakfast each morning. Some families in the past have had opportunities to share a little of the Cape with them as well.

The French Children's Choir of Paris that we have hosted and come to love is dedicated to preserving the absolutely beautiful repertoire that was composed for the great cathedrals and basilicas of France, including Notre Dame Cathedral.

The parish needs several SPXS school families to be willing to chaperone students, most of whom fall into the 10-14 age range, for this visit.

Please complete below if you can assist and return to the office.

Our family would be interested in hosting members of the
