

Notes as we end 2020-2021!

June 9, 2021

Well, we have ended the year with a bang!

Since May 21st, all “proposed” events have occurred:

- Crusader Spirit Day
- Friends amazing fundraiser drawing
- 3 Gr. 8 field trips
- 1 Gr. 5-7 field trip
- 3 trips for our Gr. 5 and 6 classes
- I onsite trip for Lower School- thanks to Carolyn Hietsch, who made arrangements while also planning an Art show highlighting the students' work
- a May Crowning
- a Book Fair
- one graduation luncheon
- a beautiful graduation ceremony
- Gr. 2 Living Wax Museum

upcoming are:

- Kindergarten graduation
- PreK end-of-year celebration
- A Dress-Down Day to assist Mrs. Agurkis with her “Buzz-Off”
- Last days of school...

We have a staffing change to announce that impacts our Middle School. After many years at SPXS, Mrs. Duvall has decided to graduate to JP11, where she will assume a newly created role as the director of their student support program. She

has been integral to many of our MS and schoolwide traditions that have developed over the years, and her absence will be felt! We wish her every success as she moves on to the challenges of this new role. Congratulations!

MAP Testing Results will be sent home with your students. Student scores for this year indicates higher performance than national averages, and overall class growth appears strong. Some individual student performances were not as robust as they have been previously, and we will dig down into the data to identify specific areas, and causes. This tool will assist us in planning for improvement as we begin a new year.

Our facilities plan for next year currently includes:

- the cafeteria and gym back to their original uses
- following updated DESE guidelines in terms of spacing in classrooms- it's looking much better, and their initial plans should be out soon
- reconfiguring classrooms so that PreK-Gr. 2 are on the first floor, and Gr. 3-8 are on the second

Well, as our COVID year draws to a close, many thanks for all that families continued to do despite the pandemic, for your support during the year, and most importantly, for trusting your children to our care! In many ways, it's been a challenging year, but very rewarding year for all of us at SPXS!
