

September 1, 2021

Our first day began beautifully, and the sights and sounds of all the children warmed our hearts! The hallways and classrooms are no longer empty, but full of life. First day, first lunch, first everything flowed so smoothly, though our first dismissal did not. Thank you all for your patience as you waited in pick-up lines. Things will improve tomorrow, as the buses will be able to depart quicker. Please follow these guidelines for tomorrow, while we re-evaluate the traffic plan and pattern.

Following these pick-up guidelines will also help dismissal flow more smoothly:

- At arrival and dismissal, all drivers, please remember to enter the campus by Wood Rd. and depart by Barbara St.
- Have your family name displayed and clearly visible in your car's windshield.
- Cars line up beforehand in the parking lot behind the Life Center. Tomorrow, we will have someone to direct you.
- As soon as the buses have departed, begin lining up for pick-up, and drive to your designated door.
- Please be polite, and keep the opening for the playground area clear, so cars may get in line.
- Do not arrive late- and then cut off the cars waiting patiently in the lot.
- Middle School parents and guardians, please do not block access for other cars to get around the back of the building.

A few updates:

We have a new ELA and Social Studies teacher for Gr. 7 and 8. She is Mrs. Claire Scesney-Lundahl. She formerly taught in New York City and is very enthusiastic about working with our students! We continue our search for a Music teacher. Middle School foreign language will again utilize Rosetta Stone, with the option of a choice of languages. A letter will go home with Middle School students next week so your child can choose an alternate to Spanish, if you wish. Foreign language will be twice a week.

First day contained a taste of normalcy, with our Class of 2022 greeting everyone at their arrival. The central community feel of our school was felt everyone, including by new families, who stated they never felt so welcomed in a school!

### **REMINDER MORNING DROP – OFF PROCEDURES**

It is important for the students to get acclimated with the daily routine of car line or car pool. All cars should enter by Wood Road and depart by way of Barbara Street. Please have your child(ren) wait until a staff member opens your vehicle door before they exit. For the children's safety we do not want children running up the front side walk. Be certain the cars in front of you have exited the drop off area before you pull away; do not pull around and pass other vehicles. Also, please do not drop your child(ren) off in the parking lots adjacent to the school. Please pull up to your designated drop off door so that he/she may come through those doors.

**Computer System and Internet Acceptable Use Agreement**

School believes in the educational value of a computer system, the Internet and other technologies and recognizes their potential to support and enrich the curriculum and the student learning process. Our goal in providing a computer system, Internet access and other technologies is to promote educational excellence by facilitating resource sharing, innovation, and communication. This agreement would apply to the use of individually owned technologies in the form of personal communication devices when used on school grounds, at school functions, or for school-related purposes. This agreement would also apply to school owned technologies used outside of school. Use of the computer system, the Internet and other technologies is a privilege and access entails responsibility. School cannot prevent the availability of all inappropriate material on the Internet and other technologies. The use of the system, Internet and other technologies is subject to this acceptable use agreement and the rules, regulations and policies of school, the Department of Education and the Diocese of Fall River. School supports and respects each family's right to decide whether or not to apply for student computer system and Internet access and other technologies.

**Acceptable Use**

The computer system, Internet access and other technologies has been established for an educational purpose. The user understands and agrees to the following:

- The use of the system, the Internet and other technologies must be consistent with and in support of the educational goals and objectives of school's curriculum and mission statement.

**NOTE:** *User may be given an e-mail account on the computer system. User shall not sign up for or access any e-mail service offered through the Internet or other technologies. School explicitly prohibits user from having any access to any e-mail services unless it has been specifically approved for a limited time and purpose by the head of school. If user has been granted approval to use e-mail, user understands that e-mail is not private. Any messages received that relate to or are in support of illegal activities, or*

*that are prohibited by this acceptable use agreement, or that make the user feel uncomfortable, shall be reported immediately to the head of school. User shall not send messages or use the computer system and/or Internet and/or other technologies in any manner that they would not be comfortable seeing reproduced publicly.*

### **Services**

Any violation of the terms of this acceptable use agreement may result in loss of computer system, Internet privileges, and other technologies disciplinary action, up to, and, including expulsion, and appropriate legal action.

The Internet and/or any other technologies links users around the world and provides access to a wide variety of information and resources. The law affecting the Internet and/or other technologies is developing and changing daily. No acceptable use agreement could identify each and every inappropriate use of the computer system and/or Internet and/or other technologies through school property. School is the sole judge of whether the use of the computer system and/or Internet and/or other technologies is consistent with this acceptable use agreement and its decision shall be final. If user is unsure whether use of the computer system, Internet or other technologies is appropriate, user shall confer with the head of school.
