Remember, if any family member is experiencing symptoms, or tests positive for Covid-19, your child(ren) should quarantine at home, unless vaccinated. Contact the school if you have questions.

We continue to work with state and local public health officials to ensure the health and safety of all students, families, and staff.

Thank you and God bless,

Dear Parents,

This summer I will be available for tutoring lower school students, (children entering Kindergarten – Grade 3). If you would like your child to continue to work on academic skills throughout the summer or if your child needs support in reading, math or readiness skills and you are looking for a tutor, please contact me at mtremblay@spxschool.org.

I have been trained in the Wilson Reading Program. This is a phonics program designed to reinforce phonics and help the struggling reader learn to internalize the mechanics of reading. Reading comprehension, encoding and decoding are some of the skills that will be reinforced. Beginning readers will continue to learn the mechanics of phonics. I will review letter sounds and sight words, as well as play games that will reinforce reading readiness skills.

I have also been trained in best practice Math strategies such as Number Sense and Subitizing. These approaches help struggling Math students internalize math concepts. I will also reinforce skills and concepts which were taught throughout the school year.

I will be available Tuesday, Wednesday or Thursday mornings beginning July 12 through August 18. Please send me an email if you have any questions or would like more information.

Thank you,
Maryann Tremblay
